

A3.4 Job Shadowing Evaluation and reporting – HOST ORGANISATION

Dear Engage Host Organisation,

Thank you for taking the time to provide feedback on the Job Shadowing. The purpose of this questionnaire is to evaluate your experiences, both qualitatively and quantitatively. We would like to gain more insight into how the Job Shadowing went and how we can improve future internships.

The questionnaire consists of questions about your experience as a host organization and the value of the mentorship. We ask that you complete the questionnaire as comprehensively as possible and be open and honest in your answers.

Thank you for your participation and we look forward to your feedback.

1. How did the mentee contribute to the company and which specific projects did she work on?
2. What positive changes or improvements have you noticed in your company as a result of having a mentee?
3. To what extent did the intern help your company achieve its goals?
4. Have you learned any new skills or gained insights from the experience of having a mentee?
5. What would you do differently in the future as a provider of internships?

Thank you!
