

A3.4 Job Shadowing Evaluation and reporting – MENTEE

Dear Engage Mentee,

Thank you for taking the time to provide feedback on the Jobs Shadowing. The purpose of this questionnaire is to evaluate your experiences, both qualitatively and quantitatively. We would like to gain more insight into how your internship went and how we can improve future internships.

The questionnaire consists of two parts: qualitative questions about your experience and quantitative questions about the amount of work and the value of the internship for your professional development. We ask that you complete the questionnaire as comprehensively as possible and be open and honest in your answers.

Thank you for your participation and we look forward to your feedback.

Open evaluation questions

1. How did this internship help you improve your professional skills?
2. What new skills or knowledge did you gain during your internship?
3. How valuable was the internship for your professional development?
4. How was the collaboration with your supervisor and colleagues?
5. How well did the internship fit with your career goals and interests?
6. What aspects of the internship could be improved?
7. How would you recommend the internship to others?

Quantitative evaluation questions

1. How many hours per week did you work during your internship? (the hours at the workplace but also including preparation a.o)
2. On a scale of 1 to 10, how would you rate your experience with the internship?
3. Please describe why you chose this rating:
4. Did the internship meet your expectations? Why/why not?
5. How valuable was the internship for your future career?

Other things that you would like to share?

Thank you!
