

A3.4 Job Shadowing Evaluation and reporting – MENTOR

Dear Engage Mentor,

Thank you for taking the time to provide feedback on the Job Shadowing. The purpose of this questionnaire is to evaluate your experiences, both qualitatively and quantitatively. We would like to gain more insight into how your mentorship went and how we can improve future internships.

The questionnaire consists of questions about your experience and the value of the mentorship. We ask that you complete the questionnaire as comprehensively as possible and be open and honest in your answers.

Thank you for your participation and we look forward to your feedback.

1. How effective was your communication with your mentee during their internship?
2. How did your mentee's internship experience help you advance your own professional development?
3. What challenges did you face while mentoring the internship and how did you overcome them?
4. How did you ensure that your mentee felt comfortable during their internship?
5. Did you gain any new ideas or insights while mentoring this internship?
6. What would you do differently in the future as a mentor of a professional internship?
7. Other things you would like to share?

Thank you!
